#### Webinar Highlights:

This webinar offers a focused overview of Hong Kong's evolving digital asset landscape, with a spotlight on stablecoins and asset tokenization. Against the backdrop of global fintech innovation, Hong Kong is advancing regulatory clarity and infrastructure development to support a real-economy-integrated digital asset ecosystem.

The session will focus on the following:

- Key developments in the digital asset industry and global market trends
- Overview of Hong Kong's latest digital asset policies, including the Stablecoin regulatory framework
- Practical applications of stablecoins and tokenized real-world assets (RWAs)
- Market outlook and ecosystem strategies shaping Hong Kong's role in the future of finance

Robert Lui is a partner with Deloitte China, with a career spanning over 25 years. He currently serves as the firm's HK Digital Asset Leader, HK Growth and Markets Leader, and Capital Market Services Group Southern Region Offering Services Leader.
