About Mr. Yeung

- **Founder & Director, Ascent Partners Advisory Service Limited**
- **Multi-term UN Special Advisor on Sustainable Development**
- **30+ years of ESG experience**
- **10 Successful IPOs | 500+ ESG reports delivered**

Mr. Yeung is a prominent figure in Hong Kong's environmental movement, boasting over 30 years of experience in sustainability. From 1993 to 1995, he was funded by the UNEP to lead a reforestation project in Guizhou Province, China. In 1995, he initiated an eco-village project in collaboration with South China Agricultural University.

Between 2004 and 2008, Mr. Yeung worked for LESS Limited, where he developed investment criteria for environmental projects in China, potentially establishing the first fund globally to create its own stringent ESG system. Currently, he leads the ESG team at Ascent Partners Advisory Service Limited, supporting over 500 listed companies in Hong Kong with their ESG reporting.

In 2019, he collaborated with Hong Kong Polytechnic University and the UN to provide training for the Ministry of Finance of Bhutan, assisting them in issuing their first-ever national Green Bond. From 2022 to 2024, he was invited by UN ESCAP as a special consultant to help develop the Asia Pacific Green Deal. Mr. Yeung is widely recognized as a respected authority in sustainable development and environmental protection.

About US

A Legacy of ESG Leadership:

Ascent Partners Advisory Service Limited has built a twenty-year legacy as Hong Kong's pioneering force in ESG advisory. Our expertise has shaped industry standards and equipped professionals to lead in an increasingly sustainable economy.

A New Chapter Begins:

Today, we open an ambitious new chapter through our strategic alliance with Zhonghui Anda Accounting Firm. This partnership merges our deep ESG expertise with their distinguished legacy in financial training—a legacy forged in 2013 with the Zhonghui Professional Training Center to advance Hong Kong's finance sector. To embody this powerful union, we proudly launch as the Ascent Professional Training Center.

We bridge sustainability and finance. By integrating rigorous financial training with frontline ESG expertise, we empower professionals to master practical ESG application—turning compliance into strategic advantage, resilience, and competitive edge.
